Veterinary conditions

Each dog must have a veterinary certificate with valid vaccinations against rabies, distemper, parvovirus, and hepatitis, at least 21 days and no more than 1 year before the exhibition. Dogs from other countries must have a Pet Passport.

General provisions

The exhibition is governed by the exhibition rules of FCI and SKJ. Only dogs registered in FCI-recognized breed books can participate. The registration of participants will be confirmed by email.

Dogs imported from abroad must be registered in the SKJ breed books. The exhibitor agrees to pay the exhibition fees even if they do not attend the exhibition, regardless of the reason. In the event of the exhibition being canceled due to circumstances beyond the organizer's control, the exhibition fees will be used to cover the incurred costs.

The organizer reserves the right to refuse the registration of a dog without providing a reason. Exhibition awards will be recorded in the rings, but this recording is not mandatory. No protests can be lodged against the awarded marks, except for formal reasons.

In such cases, a protest can be submitted at the exhibition office before the completion of judging in the ring, upon payment of a deposit of 50 €. If the protest is rejected, the deposit will be forfeited in favor of the organizer.

The exhibitor is fully responsible for any damage caused by their dog. The organizer is not responsible for any damage caused by the dog to others or to itself, nor for its loss or death.

Dogs whose owners are not members of the club can also be entered into the special club exhibition.

Free roaming of dogs on the exhibition grounds is prohibited. The sale of puppies at the exhibition site is also prohibited.

Data protection

By submitting the registration for the exhibition, the exhibitor, as the data subject under § 11 of Act No. 122/2013 Coll. on Personal Data Protection, gives consent to the organizing club for the processing of personal data provided in the registration (name, surname, address, email, phone number). The exhibitor also agrees to the publication of this data (name, surname, address) and photographic documentation of the exhibition and its results on the organizer's website and in the club's newsletter.

REGISTRATION

When registering online, the payment must be made after receiving the confirmation email, which will include the amount to be paid for the exhibition fees and the variable symbol. The exhibition fees must be paid within 24 hours of submitting the registration.
